Essex people will hear with creat satisfaction a statement given in the Times, that the governors of the Charterhouse intent to remove their school to Hallinghury, near Dunmow. They own estates there, and are convinced that London is injurious both to the boys and to the school.

The latest papers from new Zealand (June 14) are full of a great official scandal. The facts, on and affording a nice view of the harbour, Rent which we have elsewhere commented, appear to moderate. he these. General Cameron weary of a war in ! which he has not succeeded Maories very imprenorly not fighting according to regulation—wrote to Sir George Grev, denouncing it in strong farms. It was carried on, helengs, for nurses of aggrandizoment, in ulter carelesaness of the lives of imperial troops. The Governor, who is anresponsible for the war as his Ministers, " cut" General Cumeron and moreover, laid his letter before his Cabinet. The latter accordingly sent the General a memorandum, in which they quietly informed him that it "was their duty no longer to accept assistance so and Gage Streets and of two hundred and twents. now Hingly rendered," for they could not hope nine feet on Aberdeen Street, comprising a su-"zeal and energy would be displayed by any perficial area of about 19000 square feet. officer, bewever distinguished, in support of a cause which was branded by him with such severe reprodution. . General Cameron is, however, not responsible to the Minister, and the colony therefore, is in this pleasant position—that THE House on the Praya immediately in rear both the Oneen's representative and the local 1 of the Premises of the undersigned, bon Ministry are at open fend with the Queen's Com. Laining Offices and Compradore's Rooms, at premander-in-Chief. The situation is discussed sent occupied by Messrs. R. Molifieger & Co. elsewhere, but we must add here that the Horse Guerds cannot well defend General Cameron the Crown at least will not abandon the principle that a soldier's business is to obey orders, not to discuss politics. Suppose the Macries had been Bussians, and General Cameron aympathized will | 110 Let situated on the Caine Road West, their dislike to Mussulman rule in Europe? President Johnson has finally decided that the ble COACH HOUSE with Fodder Room and reconstruction of the Union must be accomplished | accommodation for "ouse Boys. through the States them cives. He was opposed by several members of his Cabinet, but remained firm, and has completed his work by colling a Convention for Texas and dissolving the large army assembled in that State. It is believed that the Conventions will return a majority of violent pro-slavery men, and that the plan of the Southorn leaders is of this kind. They will sceept abolition, which indeed they connet avert, will through their alliance with the Democrats endes. your open more to master Congress and fill the offices, and will then pass State laws on vagrancy apprenticeship, descrition landowning, and breach of contract, which will once more hind the negroes to the plantations. If this policy succeeds the struggle is only postnoned, and its success can only be averted by military interference, or the insertion of another clause in the Constitution disabling the States from passing any law hased of Dr. Kans, containing Four Rooms with front upon distinctions of colour.

We publish, though with regret, a letter from our able "Yankee" correspondent expressing in full measures the hatred felt by many persons in the North towards the negro. As a skotch of oninion it is valuable, but we can endorse neither his fact nor arguments. He says the "loathing" between the two races is so deep-seated that amalgamation is impossible; we say that one-third adjoining Horse Stable. of the slaves are, as appears from their o look. the result of that amalgamation. He says the presence of negroes in Congress is impossible: we say that it is found easy in Jamaica. He says. that the intense irriation created by the marriage of a white woman to a negro, -under which term | residence, and can view the whole barbour. he includes quadroous—proves a natural antiquathy, we say that the same irritation is felt in.
